

# THERINEUM COIN

WHITEPAPER

## Introduction:

Theerineum Dungeons is a dungeon crawler, Play to earn game in which players can battle monsters in different modes or battle each other in a pvp style mode.

The objective is to gather THED coins and earn a real time profit along the way.

Our goal is to create a place where people can enjoy a fun game & earn money at the same time.

# Game Concept

The objective in this game is to explore dungeons and fight mighty foes to acquire THEERINEUM(THED) using your Arsenal of Heroes.

- The amount of coins acquired is based on your hero's rank, upgrades,...
- For example, raising your hero's rank allows you to go even deeper in the dungeon and acquire even more loot.

## Game Modes

**Dungeon  
Mode**

**Story  
Mode**

**PvP  
Mode**

## THED & play to earn mechanism

Theerineum ecosystem allows players to collect THED coin by:

- Killing the monsters in the dungeon
- Defeating the bosses at different levels.
- Selling the NFT heroes and NFT gear on the game marketplace.
- Pvp ranking rewards.
- Special in-game events.
- Daily rewards.

## Use cases for THED

- Buying in-game items such as stamina potions .
- Buying tickets to acquire NFT champions and NFT gear through wheel spin system.
- Access other features in the game.
- Exchanging it for other crypto for continuous income.

# NFT in THED

There are 2 types of NFTs in Theerinium

dungeon :

- NFT CHampions.
- NFT Gear (weapons, armors etc).

1. These NFTs are used in Dungeon mode, Story

Mode and the Battle mode.

2. NFT heroes can equip NFT gears.

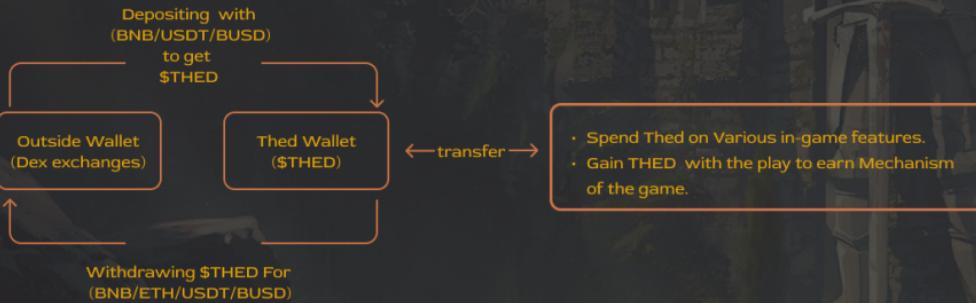

3. NFT champions can acquire certain skills like

ultimate attacks.(non-NFT)

# Game economy

- THED coin is an existing token within the theerinium ecosystem and can be traded on different exchanges.
- Users can trade it with BNB,BUSD,USDT.
- BNB,BUSD,USDT can be deposited & withdrawn normally from or to users blockchain wallets.
- \$THEDE is an in-game token to replace the THED coin.

- Total Supply of coins : 1,000,000,000.
- Play to earn: TBD.
- Liquidity and Ecosystem: TBD

## Our vision for THED:

- The income gained from the \$THED is stable since the majority of the supply will be part of the in-game ecosystem.
- The game will be updated regularly with new story chapters, new gameplay modes/features and new characters.
- One of our main goals is to build a strong community and insure a trusting relationship between the development team and the users.
- low entry barrier and reasonable in-game product cost.
- we will seek out non-crypto professionals to insure quality services.
- plans are made to spread the game over platforms:
- Android/Ios and other platforms .

## How will we spread:

- professional marketing services.
- social-media influencers.
- strong social-media spread.
- professional research companies & incubators  
as well as venture companies.
- hiring advisors .

# Roadmap

**Phase 2 Of The Roadmap Is  
Coming At A Later Date**

## Phase one

- Landing page of the project
- Whitepaper issued.
- \$THED token issued.
- pre-seed sale to fund major research.
- A Seed sale to start the development phase.
- A strategic sale .
- NFT heroes & gear.
- Website & NFT launch.
- Beta version of the game
- Dungeon mode
- Story mode
- A private sale.
- A public crowdfund sale & Liquidity lock
- NFT marketplace.
- Listing on exchange.
- Major marketing campaign
- Game trailer.
